

Sewing Challenge

Sew or not to sew...that is the question;
Only one answer...SEW of course!

Britches for Boys & Little Dresses for Girls of Africa Challenge

Cathy Sladek on behalf of the Family Farms Charities challenges all sewers to a sew off. Whoever sews the most Britches and Dresses before the July Business meetings will win a prize.

All dresses and Britches will be collected during the July Business meeting in St. Louis. The items will be distributed to the children of Africa by a charity operation, recently supported by FamilyFarms Charities.

So dust off your machines, dig through your fabric stash, and get sewing.

Please let Cathy know via email if you will be participating.
